

2018 Harlan Days

Demo – Derby Soccer Match

Car Rules:

- Small to medium cars allowed as well as mini-vans. Our goal is to promote maneuverability and visibility in order to score goals! Vehicles should be chosen with the idea of pushing around a giant soccer ball!
- “Windshield Class” Demolition Derby Style Rules for car preparation. This means:
 - o Remove side glass and rear windows. Windshield may remain intact.
 - o Bar across windshield installed top to bottom in center of car.
 - o Remove all shattering glass such as mirrors, headlights, tail lights, etc.
 - o Remove plastics and objects that break and pollute the grounds.
 - o Water for coolant only – Remove anti-freeze and replace with water only
 - o Only ¼ tank of fuel maximum allowed at any time. May refuel between matches.
 - o No studded tires or traction boosters
 - o Driver’s door painted white for visibility. No intentional driver’s side collisions.
 - o Airbags optional – Driver must be prepared in the event of airbag activation!
 - o 12”X12” hole cut in hood over throttle body for fire control if necessary.
 - o Helmet and seat belt required.

Competition Rules:

- 3 cars to a team. Bring a team of 3 or bring a car and we will place you on a team.
- The objective of competition will be to score goals and not necessarily immobilize the cars so that multiple matches with the same cars can be played and car may be able to leave on its own power at the end of the night!
- Timed matches of 10-15 minutes depending on number of entries.
- No scores will result in sudden death or the removal of goalies in order to promote scoring.
- Tournament style play. Last two remaining teams will play for 1st and 2nd Place with cash prizes awarded to 1st and 2nd Place.
- Payout: Determined by number of participants and entry fees collected.
